A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA

On September 25, 2003, the ANTHC and the Yukon-Kuskokwim Health Corporation executed a CPA authorized by the Denali Commission to construct a large health clinic, including space for behavioral and dental health, in the City of Mekoryuk, Alaska. The project was funded by the Denali Commission.

B. AMENDMENT TO REVISE PROJECT BUDGET AND FUNDING SOURCES TABLE

This project was originally awarded \$757,774. This Amendment will add \$167,552 of funding to provide clinic equipment. The additional funds are derived from Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Amendment No. 1, dated September 2003.

The total award therefore equals \$925,326.

A revised Project Budget and Funding Sources Table is provided below.

Project Budget and Funding Sources

Job Type	Scope of Work	Qty	Units	Unit Cost	Denali Com. FY03	Total
M-CL	Construct large clinic	1	LS	757,774	757,774	757,774
M-CL	Clinic equipment	1	LS	167,552	167,552	167,552
Total Project Cost					925,326	925,326

Note: The numbers in this table have been rounded to the nearest dollar.

The ANTHC is being separately funded by the Denali Commission in the amount of \$4,691 for program and professional operations expenses associated with this project. These expenses include ANTHC professional salaries, travel, and related professional support.

C. PROJECT ADMINISTRATION

The project management methodology has not changed.

This Agreement shall take effect upon signature by all parties and remain in effect until the expiration of the "Performance Period" specified within the Commission's Financial Assistance Award, Amendment No. 1, dated September 2003.

This document constitutes Amendment No. 1 to the CPA for the new large health clinic in the City of Mekoryuk, Alaska. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: April 2004

FROM: Environmental Review Officer

SUBJECT: City of Mekoryuk – Environmental Review
Amendment No. 1, Project No. AN 03-G76

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in September 2003 with respect to the proposed sanitation facilities construction at Mekoryuk, Alaska under Project No. AN 03-G76. This Amendment will not change the scope outlined in the original document, and therefore no additional environmental review is necessary at this time.

If the scope of work is changed in the future, then the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
